Class Make-up & Location Policy

Updated 5/21/24

Participants will be notified of changes or cancellations by email by 11a the day of class, or 10p the day before for morning classes. Locations are specified in the description of the class during registration. Classes may change location or cancel based on the criteria below:

- Outdoor classes will either run in the gym or cancel if the forecast has lightning, heavy rain, or extreme temperatures.
- Outdoor classes may occasionally run in the gym to take advantage of the longer distance.
- Indoor classes will either run at the camp range or cancel if an event is running in the gym.
- Indoor classes may occasionally run at the camp range for messy activities.
- Classes will not run if the Y is closed for unforeseen reasons or if deemed necessary by the Archery and Sports Directors.

In case of a cancellation, either a make-up date will be scheduled, or YMCA credit will be given.

If a participant is unable to attend a class date, they may:

- Request to attend another class time at least 24 hours in advance, provided the requested time has room.
- Inform the Archery Director via email prior to registering for the class. Provided the class runs without them, the price may be prorated to reflect the missed date.

For private lessons,

- Private lessons are only guaranteed after an email confirmation of the date and time from the Archery Director.
- Private lessons may be cancelled or rescheduled up to 24 hours in advance.
