To ensure the safety of our participants, members, and their families,

- No shooting may take place without a staff coach present.
- Staff may not be 1-on-1 with minors anywhere they cannot be observed. If no other students are present, staff may request that an adult remain at the range until other students arrive.
- All participants must have up-to-date emergency contact information on file.
- Children under 12 MUST be accompanied by an adult at all times while on the premises, including en route to the bathroom and during drop-off and pick-up.
 - If an adult will not be staying during class, please have children use the bathroom before dropping off.
 - Staff are required to check IDs of any adult they don't recognize against the information on file before releasing children to them. **If you have not dropped off before and are picking up for the first time, please bring a photo ID with you.**
